

Greetings from your First Class Club Coordinators!

May this greeting bring cheer to your day. We wish a speedy recovery to anyone who has been ill and to those in the hospital. We extend our deepest sympathy to those families who have recently lost a loved one. Please know we are thinking of you.

A special greeting goes out to those celebrating a birthday or anniversary in May or June. We wish you many more!

Digital Banking CORNER

FRAUD PREVENTION TIPS

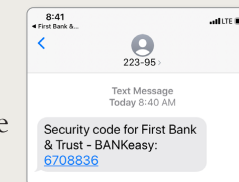

1

Log in using your existing username and password (via mobile app or desktop). New Users: Enroll by clicking “First time user? Enroll now” and follow the steps.

2

Once logged in, you will be asked to set up two-factor authentication. This feature adds additional security for your accounts.

- Begin by adding an email address and phone number to help verify your device.
- A code will be sent by text message to the phone number you specified. (If your phone doesn't accept texts, choose a different option, such as receiving a phone call.)
- Enter the verification code when prompted. NOTE: If you're on a desktop and don't want to repeat this step every time you log in, click “Don't ask for codes again on this computer,” then click “Verify.”

3

MOBILE APP ONLY: If you're logging in for the first time using our mobile app, you'll also be asked to enter a 4-digit passcode. You will need to remember this code for future sign-ons. However, if your device accepts fingerprint or face recognition, you won't need the 4-digit passcode for future sign-ons.

REMINDER: Each time you log in using a different or new device, you'll be sent a new verification code to verify your identity.

TOOLS TO KEEP YOUR ACCOUNTS SECURE ONLINE

- Set up Digital Banking and download the mobile app, available on the App Store and Google Play. This ensures you are the owner of the online account and prevents someone else from setting it up.
- Enable face or fingerprint log-in with our Digital Banking mobile app. It's convenient and ultra secure.
- Set up balance and transaction alerts to help monitor purchases, transactions, and withdrawals.
- Use Digital Banking to send and receive secure messages to/from our digital bankers.
- Manage your debit card in Digital Banking. Lock/unlock your card and register upcoming travel.

WATCH FOR THESE RED FLAGS

They ask you to open a link.

They use urgent or fear-inducing language.

They send an attachment.

They request personal information like PINs, passwords, or Social Security numbers.

They pressure you to log in to or send money with payment apps.

They contain spelling and grammatical errors.
