Greetings, First Class Club,

Happy New Year! We hope all is going well so far, and we want to welcome you to 2025—a year of celebrations.

Did you know that in 1925, Security National Bank became the Fishback family's first independent community bank? Therefore, our 100-year milestone has been reached! As of today, we serve 17 thriving communities in South Dakota and Minnesota. Also, First Class Club will be celebrating 30 years of memories made thus far. Be sure to keep an eye out for celebration announcements at your nearest First Bank & Trust location, and we look forward to visiting with you about your recent travels and your upcoming trips!
