Hello, spring!

This is such a wonderful time of the year. I love being able to finally start getting outside after the cold winter. One of my favorite things to do is go on walks downtown with my two kids. We usually like to stop at the coffee shop downtown so I can get caffeinated for the day and the kids can get a sweet treat for the rest of the walk back home. I also love being able to start planting flowers outside our house. I hope you all can get outside and enjoy some nice weather too!

I look forward to seeing everyone at Bingo at the Main Street Center as well as at our Shred Event, which will take place on Wednesday, May 14! This is a great time to come down to the bank, shred some old documents, and socialize a bit. Coffee and treats will be served during this time as well. I will also be participating in the Main Street Center's Rock-a-thon on April 8, so feel free to come say hi that day as well. I hope to see you all very soon! If you have any questions on available travel, please feel free to reach out to me or Becky Schmeling.
