Greetings, all!

Spring is springing upon us, and I'm sure you're all as excited as I am! I'm longing to see if the bulbs I planted last fall will grow (it's my first attempt) and to watch the snow melt under that extra hour of sunshine we will have. I'm even okay with the muddy paws my dog will have if it means that winter has come to an end. Let's face it though; this winter really hasn't been that bad, but it can feel endless at times, especially when we've had over a week with highs not even above 10 degrees and go days without seeing the sun. We are in the homestretch however, and it's going to be great!

If you're out and about enjoying warmer temperatures, please stop in the bank to say hi and grab a cup of coffee. I love seeing your smiling faces!

Happy spring,

Heather
